## Sort 19 – Derivational

## Unfamiliar but Related Words

Cut your sort and start sorting the words into a list of familiar words from this week's sort. Once individuals have cut and started to sort, we will discuss the familiar and unfamiliar words together.

### Rewriting the Sort

1. Re-write the sort in alphabetical order with sort category titles (familiar and unfamiliar) that you create on lined paper. Double space the list to leave room for Applying Meaning activity 3 later.

### Applying Meaning

2. Select five words from the list and use them in a meaningful sentence.
